1. Team formation will occur spontaneously on-site from among the registered participants.
2. Fair Play: Participants must adhere to the principles of fair play throughout the competition. Cheating, plagiarism, or any form of unfair practices are strictly prohibited. Violation of fair play rules may result in disqualification.
3. Organizer's Decisions: The organizers have the final authority to interpret the rules, make decisions, and resolve any disputes that may arise during the competition. Participants must respect and comply with the decisions made by the organizers.
4. Tiebreakers: In the event of a tie, the tiebreaker rules will be determined by the organizers. The organizers may consider various factors such as performance in specific segments, additional challenges, or any other criteria they deem suitable.
5. Code of Conduct: Participants must follow the code of conduct specified by the organizers, which includes maintaining a respectful and inclusive environment throughout the competition.
6. Disqualification: The organizers reserve the right to disqualify any participant or team found violating the rules or engaging in misconduct during the competition.

Rounds:

There will be total 4 rounds in roadies.

Round 1: Quiz

- This round is for registered teams, and all the team members are allowed to participate. One team contains 6 members.

- One participant from each team will have to eat/drink the item given by the organizer and whoever complete it in less amount of time will have a chance to read the question.
- Later that person will decide that he/she will ask the question to his/her team or any other team.
- Team has 30 seconds to answer the questions.
- There will be positive marking for the right answer and negative marking for the wrong answers.
- Scores will be added to the leader board.

Round 2: Puzzle Round containing mini challenges

- All participants will have a chance to perform.
- Member-1 will do given number of push-ups. After completion he/she will give a pass to Member-2.
- Member-2 will perform given number of one leg squats. After completion he/she will give a pass to Member-3.
- Member-3 will do given number of bottle-flip. After completion he/she will give a pass to the remaining team members.
- All 3 remaining members have to solve the puzzle.
- All team's completion time will be marked and after that leader board will be updated.
- Bottom 4 team will be eliminated after this round.

Round 3: Bucket Weight Battle

- All participants will have a chance to perform.
- Two team will perform against each other. Winning team will go into finals and losing team will be eliminated.
- Member-1 will make sand-bags for their team.
- Member-2 and 3 have to collect that bags one by one by running from point A to point B. There will be many obstacles between these two points.
- Member-4 will be that obstacles in opposition's route. They have stop them by going to point A to point B. Once you pass them only then you can move forward.
- Member-2 and 3 will give their collected sand bags to Member-5.

- A bucket will be hung through the rope. Member-6 of both the teams will hold the rope to hung a bucket.
- Member-5 will throw the sand bags to the opposition's bucket to increase the weight.
- Whenever Member-6 will drop the bucket, their opposition will win that round.
- After all the rounds we will get top 3 team which will perform the final task.

Round 4: Zip-lining with some roadies element

- Each team will get pots containing their team colour.
- One member from each team will perform the task one by one.
- They have to carry the pot from the starting point of their zip line.
- In the middle of the zip line there will be an aim on the ground.
- Contestant have to drop the pot on the aim while doing the zip line.
- Once all team member will be done distance of their pot will be marked from the aim.
- Whichever team had dropped the pot in lesser distance will get the point for that round.
- Total-5 round be their and after each round point will be added to the winning team.
- We will get the Winning team of Roadies with the highest points from this round.

Event Rules:

1. Team will be formed on the spot by the organizers and each team will be assigned one gang leader.
2. In quiz round if participants decide to ask the question to his own team, 10 points will be given for the right answer and -10 for the wrong answer. If he/she ask the question to the opposition team, 15 points will be given for the right answer and -10 for the wrong answer.
3. In puzzle round one member will give the pass to other one after the

approval of the volunteer.

4. In zip lining if any team reaches at 3 points in the middle of the competition, they will be declared as the winners.
5. All the teams have to follow given instruction by the organizers for each task.
6. Going against the task rules will result in action being taken against your entire team by the organizers.
